Clatter
It looks like they haven't returned yet...
They'll probably return to the classroom after lunch break
They

That's just an ugly and fat pig!! For us, he's just food, he's just another human being!
Calm down and think this over, Karen!
!?
They, why am I thinking about that fat pig at this time--?!
Ah!
Right.
That's right...
That guy is also one of those humans...
They deny our existence.
That's why they fear and despise us.
Humans are food to us..
No,
but...

He looks ugly, but in a way he can be stubbornly described as cute...
It feels good to touch his body too!
AH!
even so, he's still different from other humans!
He accepted us vampires!
Well... Although he classified us as an UMA of some sorts.
T/N: UNIDENTIFIED MYSTERIOUS ANIMAL
That fat pig!!!
Why am I defending them?
Besides that, why do I keep thinking about that fat pig? This is bad, right?
The one I should be thinking about is Takaya Sui, not that pig!!!
Ah! Kanazuki...
That's right! On your first try you had such a result, you should feel happy instead.
That's why we're saying don't get too dejected, Sui
Right!?
You're doing better than me.
DEPRESSED

When someone calls you a pig you don't have to answer you know u Kitan...
Yes, yes.
FAT PIG -!
Um...has the bell rung?
Pig
カッ!
What?
That
What's the matter?
Look.
Uu-
The moment he came back it's been like this.
Huh? Huh?
Aha haha...
もにゅ もにゅ もにゅ もにゅ もにゅっ
YOU'RE SO SLOW! CAN'T YOU COME BACK TO THE CLASSROOM ANY QUICKER? YOU'RE OBVIOUSLY A PIG.....
キーンコーン…
カーンコーン…
ガヤ ガヤ ガヤ
Bye-bye!

Dreaming something that is a big deal to me as nothing
I DON'T CARE WHAT HAPPENS TO YOU!
It's true~ That's the reason I can see ghosts clearly now~♡
Amazing, right?!
ANYWAY CAN YOU REALLY USE YOUR POWER NOW?!
No, not... that...
WHAT DID YOU SAY? SUI HAS ALREADY BROKEN THE SEAL AND USED HIS POWER?!
So, even though the seal was broken, it was put back immediately afterwards ...
No matter how many times I tried...
I still don't know how to control it freely.
In Kumimi's case, I just got lucky ...

So I'm not confident I get it right, I'm really sorry ...
WE'RE NOT THE SAME AS THAT GUY WHO ONLY WANTS TO INCREASE HIS POWER A LITTLE! THIS IS A MATTER OF LIFE AND DEATH FOR MY ENTIRE CLAN!!!
IF YOU DON'T HURRY IT UP, OUR WHOLE CLAN WILL DIE OUT! BUT YOU STILL SAY YOU DON'T KNOW HOW TO USE YOUR POWER?
No... It's not like that.
YOU'RE ALSO HUMAN DEEP IN YOUR HEART YOU ALSO FEEL THAT IF ALL MONSTERS WERE TO DISAPPEAR THAT WOULD BE FOR THE BEST RIGHT?
No... It's not like that... I...
I just need a little more time.
That...
YOU DEFINITELY DON'T WANT TO HELP ANOTHER SPECIES THAT COULD HARM HUMANS!!!

You're the same... Even though you say you support us...
But the only reason is that we're a rare species, but deep inside you still see us as demons and fear us, right?
You actually don't want us to continue to exist.
YOU'RE THE SAME, AS WELL!
You...
THAT'S NOT TRUE!
I REALLY WISH FOR YOU TO SURVIVE!
Since you're a being I admire!
Even if I become a vampire, I won't regret it!
If you need blood, no matter how much of my blood you need, then drink as much as you'd like
As long as it can guarantee your survival, then I'm willing to lay down my life !!!
K-Kitano, the way you say it sounds like a proposal

Do you really mean that?
Firmly
OF COURSE.
Rea... Really
Since you said it like that
But if you're lying, I will kill you ...
Okay!
Kita Kitan...
We

T/N SHIKIGAMI 式神, ALSO READ AS SHIKI-NO-KAMI, 式の神) IS THOUGHT TO BE SOME SORT OF GOD, REPRESENTED BY A SMALL GHOST.

I heard Misaki's power has already been increased,
could you also do it for me too?
IT HURTS.....
It hurts like hell!!
WOULD YOU LET GO ALREADY?!
It really hurts it really hurts
ぎゃ
ぎゅう...
That's why I said... That's...

Hey— Takaya Sui, I need to talk to you, could you come over for a second—
You should still be in the classroom right?
Hm? What's going on? It looks like all the members of the group are here now
Tch!
Ah...
And the atmosphere is really awkward.
Did something happen?

Nice timing! And today of all days was when I wanted to invite you over to my house!
Huh ?
WHAT-?! THE SEAL WAS BROKEN, AND YOU CAN USE YOUR POWER-?!
This was only the first time! And it was sheer luck ...
I'm telling you that I still need more special training
Ah?
Okay ...
If Sou wants to go
Right! You guys are brothers, after all, so of course you'd want to go together.
Then let's go!!
Ah! Sou, you're coming, as well, right?
Well that's of course.
HEY! WAIT JUST RIGHT THERE. YOU CAN'T JUST TAKE HIM AWAY LIKE THAT...
The fact you can use your power, is the icing on the cake! Let's head out.
Huh? That...

Wait a minute! If you take them away without permission, it'll be really troublesome for me.
I came first, so if you need them, then it should be only right that you do the proper thing and wait for your turn, right?
WAIT A SECOND! IF WE'RE TAKING TURNS BASED ON ORDER THEN I WAS THE FIRST ONE HERE!
THE FIRST PERSON WHO CAME LOOKING FOR THEM WAS ME!
I'M TELLING YOU!
DIDN'T I SAY THAT I'VE BEEN PLANNING TO INVITE SUI OVER TO MY HOUSE EVER SINCE THIS MORNING? THEN THAT WOULD MAKE ME THE FIRST PERSON IN LINE!!!
Don't say stupid things, Sui belongs to me!
What do you mean take turns? It really makes me angry!
Don't fight anymore
EVEN SOU IS JOINING IN ON YOUR RIDICULOUS DISCUSSION!
Speaking of lending you my power... I still have a lot of uncertainties, so as it stands, I have no way of...
Please wait a little bit more ...
Me first!
Me first!
It should be me first!
No one is listening
.....

SO, I WAS SAYING! THE SEAL HASN'T BEEN COMPLETELY BROKEN, SO I DON'T FEEL CONFIDENT IN USING MY POWER~!!!
Listen to me when I'm speaking, really!
……
Then it can't be helped...
Huh ?
What are you doing?

I regret doing this, but no matter what, I can't yield today!
ひょいっ
Blind-fold
しゅる
Huh?
Tied up
しゅばばばっ
What?
Hoisted
Wait ...
Takaya Sui! If you want Sou back, then you better come with me!
SOU !!!

RIGHT!
LET'S FOLLOW THEM!
Huh?
HEY WAIT! KAMADZUKI WHY ARE YOU INVOLVING KITANO IN ALL THIS?
Ah...
I'm left
WAIT A MINUTE GIVE ME BACK SOU-
Using a backdoor approach to secure your prey
RESORTING TO SUCH A DESPICABLE METHOD, YOU STUPID WOLF
—!!!

Well, that's true
Keiji, is it all right for you to not chase after them?
You're someone who obviously doesn't like to be left behind
—

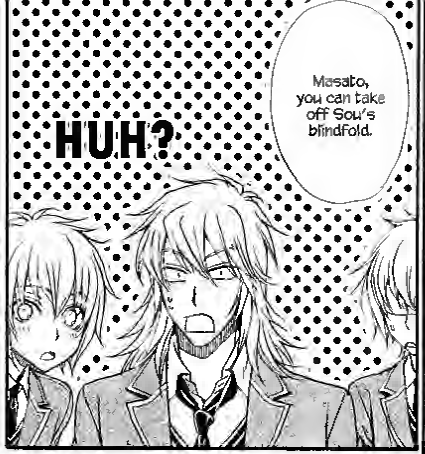
More importantly, thanks to Sui, Masaki was lucky enough to get his own power increased, right?
ずいっ
But according to Sui himself, he doesn't have full control of his power yet, so I think it's unnecessary to get hasty.
If he were to use his power right now in order to help the others, then that would also double as a good training opportunity.
In other words, you'd rather not have him use his power on you and fail,
so you used other people in order for him to gain experience, right?
Ah
Even if he even can lead I be that
He's not denying it at all
WU!
Would you mind telling me how strong you've become now?
ふふ…
NO WAY! WHY SHOULD I TELL YOU ANYTHING?
LIAR!!! YOU'RE WORRIED THAT I MIGHT'VE BECOME STRONGER THAN YOU RIGHT?
How sad
I'm doing this because I'm your loving brother, I just want to know how much my dear little brother Masaki has grown
How is that even possible?
Hahaha

Over here—
ヒラヒラ
ザッ…
ハァ…
Okay, he's in!
バタン!
ブロロロ…
ザザ…

THAT STUPID WOLF, HE ALREADY PREPARED A GET-AWAY CAR!
IF THERE'S NO SCENT, WOULDN'T THIS BE IMPOSSIBLE TO CHASE THEM NOW?!
ルンルン
That...
If it's his house, I know the address.
WHAT DID YOU SAY?
ダンダン
Because the club's contact list has everyone's addresses in it.
You...
Somehow you're rather useful for me.
I'll acknowledge you for just this once
I am happy I could help you
Hehe

WHY ARE DOING THIS TO SOU?
Let him go!!
No way.
HEY! WOULD YOU UNTIE ME ALREADY? AND ALSO GET RID OF THE BLINDFOLD!
But if I didn't put a lid on Sou's superpower somehow, that'd be very dangerous, as well.
To prevent the others from taking you, I absolutely needed Sou.
But I had no other options ...
YOU HAVE TO BE KIDDING! USING SUCH A THREATENING WAY TO FORCE SU TO LEND YOU HIS POWER. YOU'RE RATHER THICKHEADED AREN'T YOU?!
But...
This... I'm not sure about...
But if I had politely invited Sou over, would he have accepted and just came along?

You're not going to listen to him, right?!
What?
You actually dared to do something like this to Sou.
Sou for this kind of despicable person you don't need to make any effort to help them!
Don't worry about me!
What?
WU...
IF...
SOU !!!
Hold it!!!
What do you think you're doing?
HAYATE!!!
Stop it!!!
IF YOU DON'T LISTEN TO ME, THEN I'LL KISS SOU...
YOU YOU DESPICABLE GUY!



HUH?
Masato, you can take off Sou's blindfold.

Ah, we're like Masata's older brothers.
HEY!
We're sorry, once Masata starts to panic, he'll react like a brat.

Just do as I say.
But if I do really take it off.....
He might go on a rampage

And so, if you two ...

He wouldn't want to hurt Sou-kun accidentally
We weren't sure how Sou was going to use his telekinetic power, so we just assumed as long as we cover his eyes and restrain his hands, then he'd have difficulty using his power
No.

Actually, we were the ones who proposed countermeasures against Sou, just in case something happened
しゅるっ..
パラッ

Sou are you hurt anywhere ?!
Change seats with me!

HEY! I WON'T LET MY BROTHERS PROTECT ME WHILE I RUN AWAY BY MYSELF!!!
Hayate was only following our orders.
want to hate or want to take revenge, then you should look for us.
We know, Hayate.
But we're your brothers.
Since ancient times, taking care of little brothers is the duty of older brothers.
So behave obediently (smile)
WHAT? WHAT ARE YOU GUYS TALKING ABOUT..?
How come I'm being left out?!
Taking care of little brothers is the duty of older brothers

You guys definitely think Hayate is too cute for his own good, that's why you want to protect him so fiercely.
Of course! So cute we want to lick his face all over (laugh)!
Even if he's annoyed with us, he's still as cute as a button (laugh).
Hehehehe...
YOU GUYS ARE TOO CHATTY!
All right...
Hmph

I'm Hayate's eldest brother, Souya.
This time, we wanted to give you a warm welcome, but instead the two of you were put in an uncomfortable situation.
I'm terribly sorry.
It's fine.
I don't mind...
Sou's already forgiven you as well.
Thank you very much.
Please come in.
カチャ…

That's why—
we would like some of our pack members to be turned into females!
Discuss ?
I take it Hayate's already told you about our situation
Our pack hasn't bore any children for a long time,
because there isn't any suitable female wolf.
The reason for that is the conclusion we reached after we all agreed on a particular course of action.
That's why we invited you over today to discuss this.
invited the two of you here for only one reason

TURNED... TURNED INTO FEMALES?
ARE YOU TALKING ABOUT DOING A SEX CHANGE?!
That's right.
Since you're not a god, we can't expect you to suddenly create werewolf puppies or female werewolves
So we can only ask you to change some of the existing pack members so they can bear children—
We thought about the extent and the nature of your power, and reached this conclusion, which should be feasible for you.
ガタッ...
Including me, there are a few other members,
WHO WOULD LIKE TO BECOME FEMALES.

HUH?
Would you please try your hardest to do it one more time?
And fortunately for us, we heard you were able to use your power today.
I've already said this,
even though I used my power, that doesn't mean I can control it at my own will
And the seal hasn't been completely broken
I'm not confident with using my power on another person, so for the time being I can't do anything
But,
if you don't try then you won't be able to train, right?
Uh... What you said isn't wrong. .
So, we're willing to be you're the object of your training
Even if you fail, it doesn't matter, we won't regret it!
We beg of you!
We're the ones who want you to lend us your power

NO WAY !!!
Then, you can start with the leader of the pack -
...I understand.
ほっ。。。
ぐらっ
ぐらっ
Wa
Wa
Wa
You're going last!
AND I'LL BE NEXT
I'M AFTER YOU!
THEN I'M NEXT!
THE FIRST ONE WOULD BE IN THE MOST DANGER WE CAN'T PUT SOUYA-NII IN SUCH A PREDICAMENT! I'LL BE THE FIRST!!!
Wait a minute, when will it be my turn, then?
My responsibility as the eldest-
AH! SORRY WE'VE ALMOST REACHED AN AGREEMENT!
Hey!
Even though we've already let our family know we'll be late, we can't stay here for too long.

Please turn me into a proper woman!
Right!
The first one up Second Son Takaki I'm ready!
Then,
I'll begin now...
ネル...
WA!
A proper woman
HE STILL HAS HIS ORIGINAL BODY, BUT NOW HE LOOKS LIKE A TRANSVESTITE-
Visualize
Visualize
...WA!
Ho... How is it...?

This time... This time they should look like a woman.
Me!
Who's next?!
Even if you fail, all we have to do is wait till you've succeeded and afterwards make modifications !!!
Don't worry! No need to worry at all! The next one!
I fa... failed...
Awwww.
It succeeded! This time he really looks like a woman...
Success!
AH- !!!
MY TOP HALF LOOKS LIKE A WOMAN'S, BUT I STILL HAVE THAT ON THE BOTTOM ...
Next!
Don't worry! It's not a problem at all! Keep trying !!!
I... I can't do it after all...
Right, please change me next!

Sui, are you all right?
Don't force yourself
I'm fine Just a little bit more... Just a little bit more and I'll get the hang of it...
You have a point...
Besides, if I stop now the people who I tried to change will be neither female nor male...
PEOPLE WHO WERE A FAILURE
Wa!
WHO CARES? NEXT!
The bottom part is smooth as silk, but the top part is flat as a washboard!
It's like I have both male and female parts!
Wa!
THERE'S NO HARM IN THAT NEXT!
I have body fat now!
Uwah!

パンパカパーン
Wa
Wuwu
SUCCESS! I'VE BECOME A REAL WOMAN!
Success
Suc...

Aah...
Because of my string of failures, almost everyone in the pack became a test object
...
Indeed it wouldn't be a problem if there are so many males.
If I can't change them back, even if this experiment for many people was successful there will be too many failed attempts.
I don't want to stay like this.
EVERYONE IS NOW HALF FEMALE.
We're really grateful for your help! This way, our pack will be saved!!!
NO. NO NEED TO THANK ME...
I'm the one who should be thanking you instead...
I'm the one who should be thanking everybody.
No need to say it like that, we helped each other out...
Moreover, even though the seal hasn't been completely broken, I feel like I'm gradually finding out how to use my power.
This is all thanks to the people from your pack who were willing to offer their bodies to assist me.

HEY! YOU GUYS HAVE A LOT OF GUTS TO JUST RUN OFF LIKE THAT!
Sorry for intruding—
AND WHAT'S UP WITH THIS? LIVING SOMEWHERE SO DEEP IN THE MOUNTAINS, IT'S REALLY FAR, YOU KNOW!
Even if we have your address we still spent a good amount of time looking!!
GETTING THROUGH THE BARRIER WAS ALSO A PAIN!
It's the vampire...
Huh? Why is Kitano with her?
Kannadzuki
Hey, don't just kick our door open!
Pay for the damage!
WHAT? MORE IMPORTANTLY WHY ?
!?

!!
W-
You changed into a girl...
He changed into a girl, which means ...!!!
Ah!
GRAP!
I HAD THE SEX CHANGE JUST NOW...
You... What kind of costume is that...?
ハッ

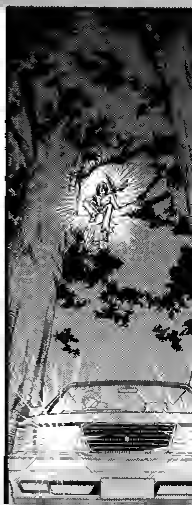
But she'll definitely refuse to wait, so I have no other choice but to help her first...
SO YOU CAN ALSO USE YOUR POWER ON ME LIKE YOU DID ON THEM, RIGHT?!
It won't do if I don't change the people of the werewolf pack back.
YES. YES...
YOU USED YOUR POWER, RIGHT? THERE'S LIVING AND BREATHING EVIDENCE RIGHT OVER THERE. SO THERE'S NO WAY YOU CAN HIDE THIS ANYMORE!
Ah... This... Uh...
I guess I did use my power...

Then, I'll begin...
Go ahead!
He's going to help the vampire?
Ah—
What?
Exhale...
It should be okay...
At least I think so...
IT'S OVER? HOW WAS IT? DID IT GO SMOOTHLY?
The only way to find out if it was really a success is when you actually give birth to a child...

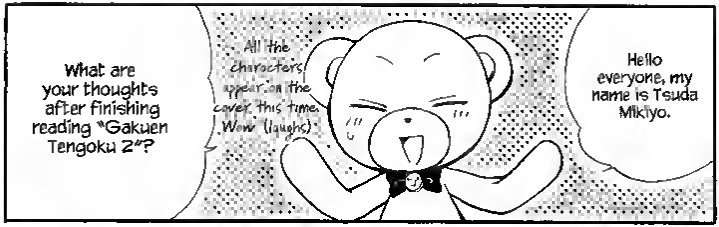
That's right..
That's the way...
If you don't try, then you won't know for sure...
Just now
WE'RE LEAVING, KITANO !!!
Huh?
Huh?
THO.. THOSE TWO, WHERE ARE THEY GOING? WHAT DO THEY PLAN ON DOING...?
Could it be..?
HUH?

ブロロロ…
We're really grateful for what you did for us today
You're welcome, thank you for taking care of us.

Atsumare! Gakuen Tengoku
Volume 2 End. To be continued—



# AFTERWORD



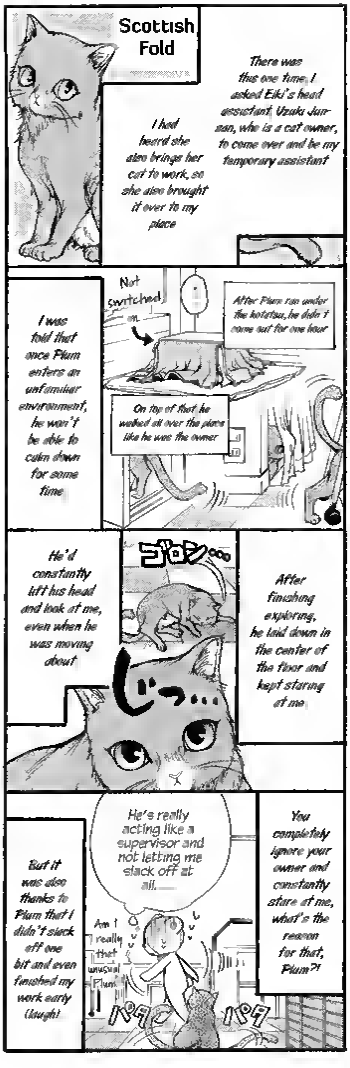
What are your thoughts after finishing reading "Gakuen Tengoku 2"?
All the characters appear on the cover this time. Wow (laughs).
Hello everyone, my name is Tsuda Mikiyo.

Maybe I'm the only who thinks they make a fun couple (laugh)
But the editorial department told me there were a lot of positive reactions from you—
And unexpectedly (?) a romance unfolded (laugh).
This volume was all about solving the riddle,
every single detail was slowly exposed.
I'm an extraterrestrial life form—

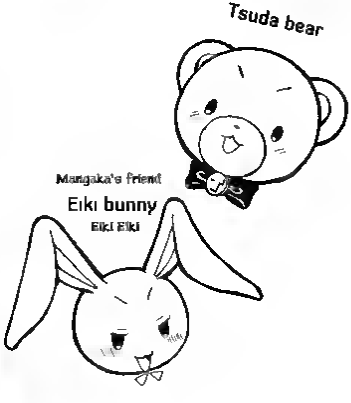
By the way, I drew less this time due to comic magazine issues. I'm sorry.
The next time I'll draw one more!

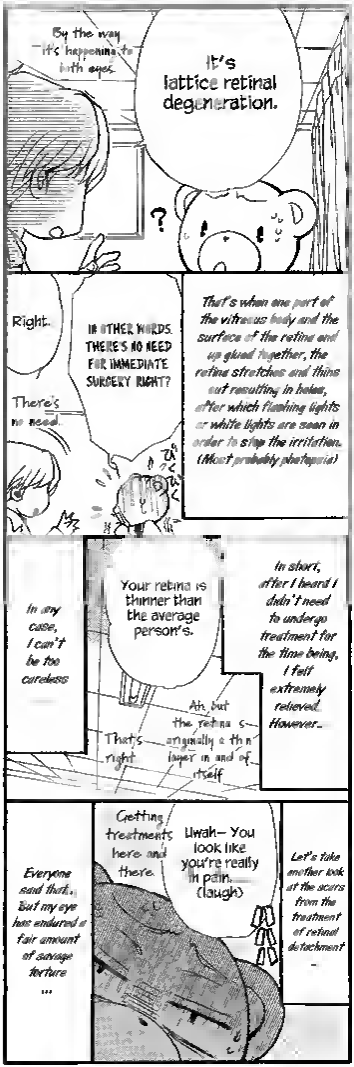
ペコリ
The next volume is predicted to be the finale
If everyone would be so kind as to support me till the end, I would be really happy.
PLEASE TAKE CARE OF ME
In this volume an enigmatic figure also made his entrance, he'll make his appearance in volume 3.

# FOUR-SQUARE THEATRE



Plum
Scottish Fold
There was this one time, I asked Eiki's head assistant, Uzuki Jun-san, who is a cat owner, to come over and be my temporary assistant
I had heard she also brings her cat to work, so she also brought it over to my place
I was told that once Plum enters an unfamiliar environment, he won't be able to calm down for some time
Not switched on.
After Plum ran under the kotatsu, he didn't come out for one hour
On top of that he walked all over the place like he was the owner
He'd constantly lift his head and look at me, even when he was moving about
ゴロン…
じっ…
After finishing exploring, he laid down in the center of the floor and kept staring at me
But it was also thanks to Plum that I didn't slack off one bit and even finished my work early (laugh)
He's really acting like a supervisor and not letting me slack off at all……
Am I really that unusual Plum?
You completely ignore your owner and constantly stare at me, what's the reason for that, Plum?!





By the way, it's happening to both eyes.
It's lattice retinal degeneration.
?
Right.
IN OTHER WORDS, THERE'S NO NEED FOR IMMEDIATE SURGERY RIGHT?
There's no need.
That's when one part of the vitreous body and the surface of the retina end up glued together, the retina stretches and thins out resulting in holes, after which flashing lights or white lights are seen in order to stop the irritation. (Most probably photopsia)
In any case, I can't be too careless
Your retina is thinner than the average person's.
That's right
Ah, but the retina is originally a thin layer in and of itself
In short, after I heard I didn't need to undergo treatment for the time being, I felt extremely relieved. However...
Everyone said that... But my eye has endured a fair amount of savage torture ...
Getting treatments here and there
Uwah— You look like you're really in pain... (laugh)
Let's take another look at the scars from the treatment of retinal detachment -

It looked like a flash of light...
Huh? My eyesight has been strange since just now
One day, I felt like a bright object was stuck in my eye, like it was blinding my line of vision.
And so...
What's happening...? Part of my vision is blacked out? What's going on...?
The people who have read my other work "Family Complex" before probably know that my right eye suffered from retinal attachment at one point, and I had to undergo surgery.
It's too scary... Don't tell me...!
I don't want to...
I should have gone for check ups...
It can't be retinal detachment again..
Awawawa
PLEASE DO A THOROUGH CHECKUP ON MY FUNDUS AND EYE PRESSURE! THERE'S SOMETHING WRONG WITH MY EYE!
Please straighten it here...
This time, I went straight to the ophthalmologist for a checkup after I felt something was wrong. (The previous time I suffered from retinal detachment I had ignored it for a month and, because of that, almost lost my vision!)

You have financial luck this year.
Wuu...
I also asked the fortune-teller for this year's predictions
ガーン...
Huh?
However, your work relationships will reach a low point.
As quick to snap as a jackknife.
After I was told my fortune for this year, I immediately told all the people around me about it so we can take better advantage of it this year.
If by any chance I hurt you please be understanding!
THIS YEAR I'LL BE SIMILAR TO A KNIFE WHOEVER I COME IN CONTACT WITH WILL GET HURT SO EVERYBODY PLEASE BE CAREFUL!
Just at the right time, I received a mail-order catalogue and saw some charms that could help better interpersonal relationships. I immediately bought a bunch of them (laugh)
That glittering object is so cute!
THERE ARE SOME HERE AND HERE AS WELL!!!
AH! THERE ARE PRODUCTS TO HELP BETTER INTERPERSONAL RELATIONSHIPS!
I'll order some!!!
Afterwards...

It's mainly so I can have some mental preparation and also make a broad prediction of how things might go.
For example, when I'm told I'm most likely get sick or when should I put in more effort to come successful
Every year I get my fortune told by a Four Pillars fortune teller*.
You complement each other.
However, afterwards, Eiki-san's fortune isn't good, whereas Tsuda-san's fortune is good.
During this period, Tsuda-san's fortune doesn't look good, but Eiki-san's fortune does look good.
Sometimes, Eiki and I would ask the fortune-teller about stuff regarding work...
It's rare to come across such perfectly matched fortunes.
Kyuu...
I beg you! Please pull me.
This time, my luck is off the charts, so please accept some of my power!!!
In other words, the situation should be like this, right?
This time, my luck is flourishing, so let me help you with any problem you have!!!
Please, let me rest behind you.
It's odd how everything matches perfectly, really interesting (laugh)
When I'm Yin, you're Yang, so it works out perfectly!
But if our good luck and our periods of being in a slump don't perfectly match up, then that'd be bad news, right?
We complement each other just like the Sun and Moon.
Umm...
